2025 Technologist Campaign
Business Analysts (Executive Level 1)
Salary: \$139,823 - \$163,364 (Plus Superannuation)

ASIS is Australia's overseas secret intelligence collection agency. Its mission is to protect and promote Australia's vital interests through the provision of intelligence services as directed by the Australian Government. Its work can involve collecting intelligence relating to national security, international relations and economic issues. It also contributes to Australia's coordinated national efforts against terrorism, proliferation of weapons of mass destruction, and trans-national issues such as people smuggling.

ASIS employs people in a wide range of roles, including technologists. These roles require dynamic team players who enjoy working with stakeholders, team members and individually on projects. ASIS is looking for people who will be able to meet tight deadlines and work to support ASIS priorities. Successful candidates will have excellent coordination and administration skills, excellent verbal and written communication skills; and, strong stakeholder engagement and influencing skills. Relevant tertiary qualifications and demonstrable experience will be highly regarded.

ASIS values workplace diversity and is committed to providing a supportive, inclusive and respectful work environment. We encourage applications from Aboriginal and Torres Strait Islander People, women, people with disabilities, people that identify as LGBTIQ+ and people from culturally and linguistically diverse backgrounds.

We offer a competitive salary package including 22 days annual leave, shutdown between Christmas and New Years Day, 15.4% employer superannuation contribution, access to flex time (up to Level 6 only) and generous paid parental leave. Full and part time positions as well as flexible work hours can be negotiated.

All positions are office-based and located in Canberra.

This role requires the successful applicant to obtain and maintain a Security Clearance.

Role: Business Analysts (EL1)

We are seeking driven and experienced Business Analysts to join our customer focused technology team. As a valued team member, you will perform a range of Business Analyst duties to assist the organisation in delivering valued capability through a technology investment process.
